

PIPE FABRICATION

Efficiently & Safely Connecting Your Business

Pipeline manufacturing you can trust with a team of dedicated experts.

Complex Project?

From basic spools to full scale modules, Gemini is known for our quality and <1% repair rate.

Full Traceability

Full traceability compliance with the fabrication industries most stringent requirements.

Continuous Improvement

We engage company-wide improvement plans to reduce schedule delays and decrease costs.

Over 100 Weld Procedures

Over 100 weld procedures covering exotics duplex, super duplex, carbon and stainless.

Lean Manufacturing Doing More With Less.

Less is more. Keeping the number of parts in a product down to a minimum will keep the manufacturing costs down and simplify the process. Gemini employs a culture of lean manufacturing on all our projects.

World Class Fabrication. World Class Quality.

Gemini Fabrication is committed to delivering the highest quality product to you, on time and at a competitive price with safety being at the core of who we are and how we do it.
